**LONE STAR GROUNDWATER CONSERVATION DISTRICT'S MOTION  
TO DISMISS INTERLOCUTORY APPEAL UNDER TRAP 42(a)(1) ON  
THE BASIS OF SETTLEMENT**

TO THE HONORABLE COURT OF APPEALS:

Lone Star Groundwater Conservation District (referred to herein as "Lone Star") files this Motion to Dismiss its Permissive Interlocutory Appeal under Texas Rules of Appellate Procedure, Rule 42(a)(1).

Lone Star has reached a settlement of this matter with the Appellees, and therefore no longer desires to continue this permissive appeal. Therefore, it requests that the Court dismiss the Appeal so that matters may be concluded before the trial court. Appellees have no objection to the motion and do not oppose the dismissal of the Appeal.

Lone Star Groundwater Conservation District respectfully requests that this Court (1) Grant this Motion to Dismiss its Interlocutory Appeal; (2) Order that costs be borne by the party having incurred them; and (3) grant it all such other and further relief to which it may be entitled.

Respectfully submitted,

Martin, Earl & Stilwell, LLP
