

# **Gonzales County Underground Water Conservation District**

## **Well Mitigation Manager**

The Gonzales County Underground Water Conservation District (GCUWCD) has set up a mitigation fund for the purposes of investigating, evaluating, and implementing water well mitigation activities and plugging & abandonment activities for the district. The District is seeking to hire an employee to implement and administer the mitigation fund and its policies under direction of the general manager.

## **Requisite Skills/Requirements**

- Project oversight experience including budgeting and scheduling of contractors
- Water well knowledge, plugging and abandonment procedures
- Ability to interact with the public
- Computer experience: Microsoft Word, Excel, Access
- Prepare and maintain documents
- Have own vehicle

## **Work Hours/Compensation**

Flexible work schedule during the week. Must be able to work some weekends and attend board meetings the second Tuesday of each month and employee meetings weekly. Salary commensurate with experience.

## **Statement of Qualifications/Resumes**

Statement of qualifications/resumes must be received by March 31, 2025, to be considered. Send to:

Gonzales County UWCD  
P.O. Box 1919  
522 Saint Matthew Street  
Gonzales, TX 78629
